

## Academic Excellence

1/15/19

How will we support Elizabeth and the Hickory class?

1. Help her be prepared for MTTC
2. Interim teaching certificate- helps her continue to get state licensing
3. Online Montessori training- For Julie and Elizabeth this summer
4. ELA and Math lessons- Eric helping with this
5. At risk support
6. Participating in elementary PLCs with Julie, Nicole, Eric, and Andy
7. Andy and Eric to mentor
8. Michael George from ISD to help with planning, etc.
9. GLSI- Chelsea to support with PBE

Having Elizabeth bring things into the classroom that she is passionate about- even if it's not content related.

Partnering Hickory kids with younger children as helpers.

Recognizing that these students need more than just academics. They need structure and security in order to succeed.
